The Breakwater has all of the features you’ll need in a vacation home including a charming dining nook, large open kitchen, and two guest suites with private balconies.
The Villas at Heron’s Landing offers 31 all-waterfront lots that are ideal for either vacation or full-time living. Neighborhood amenities include the use of a nearby pool, neighborhood dock on the river, access to backyard rental docks on the harbor and golf cart charging stations.

Most lots support an 18’ wide home, but one larger lot is available. Lot 31 is ideal for a large custom home. Garages are not permitted, but there are two parking spots for each home along the roadway. Home prices in the Villas at Heron’s Landing range from $220,000.
